

Looking for assembly workers with practical skills and a forklift certificate **Full-time**

What you are going to do

Description of the job

Are you looking for a job where you can still make a difference with your technical skills? As an assembler and mounter you'll help create beautiful outdoor furniture at a company that still values genuine quality. Your skills will be used widely throughout the company and you'll have many different tasks. From painting and gluing to mounting and order picking... plenty of variety! Specifics will be learned to you on the spot. So attitude and technical insight are what matters most. Open to learn more? Then we have a match.

For this job you need to have a forklift certificate. You'll work 37 hours per week – only on weekdays, so weekends will be free!

What we ask for

- You're a hard worker that's looking for a job with variety, where quality matters
- You understand and speak English
- You have a forklift certificate

What we offer

- A job that doesn't bore easily
- Steady working hours, no overtime or weekend work
- Possibilities to further develop your technical skills
