

## reachtruck driver in Beerse

Full-time

*Beerse*

### What you are going to do

#### *Description of the job*

We are currently looking for a reach truck driver for a warehouse in Beerse.

You will work in a warehouse that has products for fishing. Their range includes fishing nets and fishing rods. This warehouse is modern and easily accessible by car and bicycle.

Your job will consist of correctly replenishing the stock with the reach truck and order picking of the high products. Your work consists of 90% reach truck work.
