

## Technical operator in Meer (3 shifts)

Full-time

*Meer*

### What you are going to do

#### *Description of the job*

For a production company in Meer we are looking for technical operators. For this job you will work in 3 shifts.

This is a production company in Meer where they print designs on glasswork. The company is situated in Meer. The company is expanding so they are looking for an extra technical operator.

As an operator you will work in production and change over and operate the machinery. You will also fix minor technical issues.

### What we ask for

- You are technically strong and are good with machinery
- You have experience as an operator
- You can work in 3 shifts
- You speak English, and also a little bit of Dutch or are willing to learn

### What we offer

- A stable job as an operator in a healthy and growing company
- Nice colleagues
- A technical job where you will receive on the job training
- A good pay
- A quick start
