

Truck Driver CE

Full-time

Antwerpen 1

What you are going to do

Description of the job

As a truck driver you drive different routes and come to places in Belgium. You do national transports with containers or covered wagons during the weekdays. Evenings and weekends you are at home. You will be trained by highly experienced colleagues in ecodriving, so that you complete your trajectories as efficiently as possible every day. For this you use the latest technology in perfectly equipped trucks.

What we ask for

- You have a CE driving license,
- You have a valid Code 95 and ADR certificate,
- You have at least 1 year of relevant work experience,
- Good English and / or Dutch communication skills,
- You are enthusiastic, flexible and representative and you can handle the goods you drive responsibly.

What we offer

- Work in a growing company and a positive working environment,
- Full-time job with the possibility to work overtime,
- Chance of a permanent contract,
- Travel allowance.
