

Warehouse worker with forklift experience - day hours in Schoten Full-time

What you are going to do

Description of the job

For a company in Schoten we are looking for a fulltime warehouse worker who can use a forklift. This company sells products such as airconditioners and heaters to stores.

As a warehouse worker in Schoten your job has a lot of variety. You will unload the trucks with the forklift and by hand. You place all products in the warehouse and also do the orderpicking. You wil place the products on a pallet and seal it. Besides this, you will also work with a computer and talk to the drivers.

What we ask for

- You have warehouse experience
- You know how to use a forklift and a pallet
- You can speak English and/or Dutch. If you don't speak Dutch, you can understand the basics and are very good at English.
- You are motivated and reliable
- You know how to use a computer

What we offer

- A nice job as an allround warehouse worker
- A job with lots of variety
- Chances to learn, but also to grow in the company
- A good pay
- A fixed contract after a while
- A nice working environment
